

Orthopedics at Auburn University

The Department of Clinical Sciences in the College of Veterinary Medicine at Auburn University is seeking to hire an orthopedic surgeon. ACVS or ECVS Diplomates, or individuals that have completed a residency desiring a tenure-track or clinical-track position are encouraged to apply. Residents finishing their training programs in 2018 and 2019 are also encouraged to apply. The full advertisement is available at <http://aufacultypositions.peopleadmin.com/postings/2799>. Please contact Dr. Phillip Anthony Moore (pam0019@auburn.edu), Search Committee Chair, for more information.

"Auburn University is an Equal Opportunity Employer/Vet/Disability Employer.. It is our policy to provide equal employment opportunities for all individuals without regard to race, sex, religion, color, national origin, age, disability, protected veteran status, genetic information, sexual orientation, gender identity, or any other classification protected by applicable law."
