## WE TEACH. WE HEAL. WE DISCOVER. WE PROTECT. OUR COMMITMENT TO OUR MISSION HAS NEVER BEEN STRONGER.

**WE START WITH A VISION: BETTERING LIVES THROUGH EDUCATION,  
PUBLIC SERVICE, AND DISCOVERY.** As the only veterinary school in Louisiana and one of  
only 33 veterinary schools in the United States, LSU Vet Med is uniquely positioned to impact  
the health and wellbeing of the communities we serve.

Our mission is to improve and protect the lives of animals and people through superior  
education, transformational research, and compassionate care. We are fueled in this mission  
by a growing team of world-class educators, clinicians, researchers, healthcare experts,  
support staff, and administrative leadership.

Our values are integrity, compassion, and innovation. We are guided by our unwavering  
commitment to improve the lives of animals and humans, and make a direct impact on global  
wellbeing through our commitment to One Health principles. There is something very special  
happening at LSU Vet Med. This is where science meets passion, and global health prevails.  
We hope you will join us as we explore what is possible.

# OUR HEALTHCARE

**ANY ANIMAL. ANY SERVICE. ANYTIME.  
WE PROVIDE PRIMARY, SPECIALTY,  
EMERGENCY, AND CRITICAL CARE TO  
ANIMALS 24/7/365.**

**THE LSU VETERINARY TEACHING HOSPITAL SEES OVER 20,000 CASES PER YEAR AND  
HAS THE MOST BOARD-CERTIFIED SPECIALISTS UNDER ONE ROOF IN LOUISIANA.**

Our commitment to the very best in animal healthcare includes services in anesthesiology, cardiology, ophthalmology, zoological medicine, oncology, internal medicine, dermatology, small and large animal surgery, pathology, diagnostic imaging, integrative medicine, physical rehabilitation, ambulatory care, shelter medicine, and community practice.

We work closely with referring veterinary practitioners to provide advanced treatment, diagnostic and therapeutic procedures, and consultation. Our team strives to provide leading-edge and compassionate care for animals while providing excellent and timely customer service to our referral partners.

As part of our commitment to Louisiana, we are a leader in disaster response, training, and preparedness as it relates to animals. We have rescued thousands of animals affected by hurricanes, floods and accidents.

**WE CONDUCT VITAL BIOMEDICAL RESEARCH AND CREATE PRACTICAL SOLUTIONS THAT ADVANCE HEALTH AND WELLBEING AROUND THE WORLD.**

**OUR BIOMEDICAL RESEARCH MAKES SUBSTANTIAL CONTRIBUTIONS TO GLOBAL HEALTH.** By studying the mechanisms of health and disease, discovering new treatments, and developing preventative measures, LSU Vet Med continues our reputation for high quality biomedical research that makes a direct impact on the health of animals and humans.

Our collaborations with other universities, industries, and foundations bring substantial gains in treatment and prevention of ailments and disease. Our areas of excellence and specialty include cancer biology, lung biology, infectious disease and vaccinology, toxicology and environmental toxicology, equine health, neuroscience, and veterinary clinical research.

Our research builds strong relationships and fosters healthy community engagements with stakeholders in Louisiana, our region, and around the globe. By providing leadership in biomedical research, we continue a tradition of education and service to the communities we serve.

# OUR STUDENTS

**A COMPREHENSIVE CURRICULUM THAT PREPARES VETERINARY STUDENTS AND SCIENTIFIC RESEARCHERS TO IMPROVE THE LIVES OF ANIMALS AND HUMANS.**

**STUDENTS ARE AT THE VERY CORE OF OUR MISSION, AND PREPARING THEM FOR A CAREER IN VETERINARY MEDICINE AND SCIENTIFIC DISCOVERY IS OUR PASSION.**

With 3,400 DVM graduates in our history, 64% of veterinarians licensed to practice in Louisiana were trained at LSU School of Veterinary Medicine, and our practice-ready veterinarians are sought after regionally, nationally, and globally. Our research training programs are designed to provide opportunities to highly qualified and strongly motivated students to pursue academic and research careers that fuel scientific discovery around the world.

Our students are enriched, and become better veterinarians and scientists, when they learn in a diverse, inclusive environment. LSU Vet Med values diversity, equity, inclusion, and belonging and was recognized for the second year in a row with the Health Professions Higher Education Excellence in Diversity (HEED) Award from INSIGHT Into Diversity magazine, the oldest and largest diversity-focused publication in higher education.
